Friday 10th May, 2019

Dear Parents/Carers,

As part of our potions topic, we have been learning about different 'potions' there are around us.

As part of our Design and Technology unit, we would like to invite you in to school to join your child to make bath bombs. As part of the process, we will have done the market research, design specification and we will be at the point to make. You and your child will make one bath bomb and, as young entrepreneurs, then have the opportunity to make more for our enterprise day at the end of term.

We have arranged this exciting event on **Friday 24th May 2019 at 1.30pm.**

So we can cater for health and safety and fire regulations, can you give us an indication if you would like to attend?

Kind regards,

Scott Nicholls & Anna Rawlings

Child's Name: _____

I would like to attend the bath bomb workshop on Friday 24th May at 1.30pm.

Number of people (max. 2): _____
